About Us

The Centre for English Language Training (CELT) was established in 1997 in the Department of English, University College of Engineering, Osmania University. It is a premier institute offering excellent training in English Language Skills, Communication Skills and Personality Development to professionals, students, job seekers, homemakers, etc. The Centre has conducted more than 346 batches so far.

The chief features of CELT include expert and dedicated facilitators, spacious classrooms with elegant ambience and infrastructure and a state-of-the-art Computer Assisted Language Laboratory. It also uses aids like video cameras and LCD projectors for imparting English language skills and knowledge to its participants.

The methodology of teaching at the Centre is interactive and learner-centred. The facilitators keep the participants' needs in mind and use a wide variety of activities in imparting the requisite skills. The Centre's learner-friendly and interactive atmosphere helps the participants achieve clear and confident communication and a dynamic personality.

We have an excellent Language Laboratory where we use English Language Software, especially for pronunciation practice. We also provide English materials with audio CDs and other supportive materials to the participants. After successful completion of the course a certificate will be issued by the CELT, Osmania University.
