Subject: International Conference OU100ECE – Request for Adverts.

Dear Sir,

You may be aware that Osmania University (OU) is celebrating 100 years of its glorious existence during the current year 2017-18. The Department of Electronics and Communication Engineering (ECE) was started in the year 1959 by Prof K K Nair, Prof Alladi Prabhakar along with other distinguished and acclaimed Professors. It has now grown into a reputed Department, with its alumni placed globally. It offers Graduate, Post Graduate & PhD's, and has produced about 6,000 engineers in the last 58 Years.

On the eve of these Centenary Celebrations, the ECE Department jointly with the ECE Alumni is organizing a *Conference on "Electronics and Communication Technologies – Learning From Past and Marching Towards Future" on 29th and 30th December 2017.*

Several reputed alumni of the department including Fellows of IEEE, Academicians, Technocrats and Entrepreneurs from India and abroad are participating and are Delivering Lectures, Presenting Papers and Addressing the participants. We are expecting the attendees to be around 500 on both days

To commemorate this occasion we are bringing out a Souvenir, which contains messages from dignitaries, articles on concurrent topics by professionals from industry and academics as well as details of our alumni.

The souvenir shall be distributed among the audience and we are also making the same available in soft copy, so that it can be sent to all our alumni who are distributed across the globe

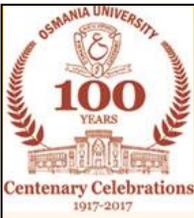

We look forward to your esteemed organization for encouragement and support this Event. You can sponsor programmes in the Event or can release advertisements in the souvenir. The rates for the advertisement along with the brochure are enclosed. We wish to add that your company will have good exposure to National and International audience. The rates for the advertisement along with the brochure are enclosed

We look forward to your valuable support.

Thanking you and warm regards
