Applications are invited from qualified individuals for Project Assistant (PA) position, sponsored by the Science and Engineering Research Board (SERB) for the Project entitled “Investigation, Implementation and Performance Evaluation of Multilevel Inverters using Space Vector Pulse Width Modulation” (No. SB/FTP/ETA-157/2012). We are seeking applicants who are highly motivated with strong academic record in the area of power electronics and drives at postgraduate level. Candidates with prior experience in multilevel inverters are preferred.

Position : Project Assistant (1 post)
Qualification : M.E./M.Tech. in the field of Power Electronics/ Drives
Desirable : First class in UG/PG level
Age limit : 28 years
Pay : Rs. 10,000/- per month (Consolidated)
Duration : One year

Applicants should note that the appointment is purely temporary and there is no Right to Claim for any regular appointment with the department/college/university.

The interested candidates should submit their resume along with photo copies of relevant certificates and a brief description of future research plans should reach the below address on or before 25th January, 2014. Eligible candidates will be called for an interview and they should carry all original certificates of qualifying exam. No TA/DA will be paid for attending the interview or at the time of joining the post.
