Minutes of the monthly Faculty Meeting held on 24.09.2026 at 04.00 p.m. in the Assembly Hall, Main Building UCE (A), OU.

Principal, UCE (A), OU has welcomed the Director, CDAAC, Heads of the Departments, Administrative Officers and Faculty Members to the Meeting.

Principal briefed about the following developments in the College since last faculty meeting:

➤ **Academics:** The College offers a range of **academic courses and internship programmes** to provide students with quality education, practical exposure and industry-relevant skills.

- Number of students joined in - Minor in AIML (37), IoT (5), Honors in Civil (12), AIML (6), BME (4) Minor in BFSI (108).
- One year **Industry Internship** offered to B.E. VII semester students (30)
- **Skill Development Modules:** Skill Development Modules **I and II** are offered to B.E. students in the **V and VI Semesters**, respectively, to enhance their technical, professional, and employability skills (Module I: 542; Module II: 157).
- **Summer Internship Program:** conducted by the departments of Mechanical & CPDDAM, Electrical, Electronics & Communication, CoE in AIML offered Four-week **Summer Internship** programmes in which around 300 students from over 50 institutions across India and abroad participated.
- The course "**Entrepreneurial Leadership and Start-up Planning**" is being offered by **Wadhvani Foundation** as an **Open Elective to VII Semester students**.

➤ **IQAC**

- ISO Certification: The University received the following certifications.
 - ISO 21001:2018 EOMS,
 - ISO 14001:2015 EMS,
 - ISO 50001:2018EnMs,
 - ISO 22000:2018 FSMS from BIS
 - AAA (Internal and External): Two Internal Auditing

Two level internal audits have been completed. Principal informed the Heads of the Departments to complete the pending documentation suggested by the auditing committee and make all arrangements for External Audit scheduled in October 2026.

➤ **Office Automation:**

- **Face Recognition Attendance System:** All faculty members are requested to enroll their data in the Face Recognition Attendance Systems for the purpose of capturing their details and implementing the Facial Biometric Recognition systems.
- **OU Information Management System:** Osmania University is maintaining the database of the Institution, Departments and faculty for the purpose of I.Q.A.C. In this connection, all the faculty members are requested to complete all the credentials on or before 03.10.2026 by visiting the website: www.iqac.osmania.ac.in
- **OU Online Students' Attendance Management System:** The student's attendance will be maintained online for the academic year 2026-27. Hon'ble Vice Chancellor has already conducted a meeting with all Principals and Heads of the Departments, and a demo would be arranged in due course.

➤ **Rankings:**

- i) India Today: 4th Rank Government Universities
13th Rank in Top 75 State Public University
18th Rank Top 25 Government Engineering Colleges.
- NIRF Ranking:
 - State Public university category: 07
 - University Category 30
 - Overall category: 53
 - Engineering College: 101-150
- QoS: South Asia University ranked 2025: 131.

➤ **Infrastructure Developments:**

- **Honeywell Technologies Future Skills Edge Centre of Excellence (CoE)** is being established in the Department of Electronics & Communication Engineering under the Corporate Social Responsibility (CSR) initiative of **BharathCares Pvt. Ltd.** The Centre will strengthen students' practical and industry-oriented skills through hands-on training and technology-enabled learning. As part of the initiative, the Centre will be equipped with **10 desktop computers, IoT kits, robotic equipment, sensors, and various tools.** In addition, **technical training and skill-development programmes** will be provided to students, enabling them to gain practical exposure in emerging areas such as the Internet of Things (IoT), robotics, embedded systems, and related technologies.
- The **Office of Career Services**, formerly known as the **Training & Placement Office**, is being established at **TDC** under the Corporate Social Responsibility (CSR) initiative of **ECIL.** The facility is designed to strengthen career guidance, placement activities, industry interaction, and skill-development initiatives for students. The proposed facility will include an **80-capacity computer laboratory, a 101-capacity carpeted seminar hall, three cubicles, and one committee room.** These facilities will provide the necessary infrastructure for conducting placement drives, career-development programmes, training sessions, seminars, workshops, and other student-industry engagement activities.

- College successfully conducted **TGECET 2026** on 15th May 2026.
- Finance committee Meeting was conducted on 18th May 2026.
- Hostel Purchase Committee Meeting was conducted.
- 66th Governing Body meeting was conducted on 10th July 2026.

Highlights of Governing Body Meeting:

- **College Regular Budget**
- Rs. **39.00 Lakhs** provided for Modernization of UG Labs.
- Rs. **12.00 Lakhs** provided for Repair of Old Equipment purchased under TEQIP
- Enhancement of Travel Grant for attending **National Conferences** from **Rs. 25,000/- to Rs. 35,000/-** from the Training cost of the Departments.
- Enhancement of Travel Grant for attending **International National Conferences** from **Rs. 50,000/- to Rs. 75,000/-** from Institutional Funds.

Further, Principal is authorized to sanction Additional financial support from the Institution funds for expenditure incurred for Registration/Travel/Accommodation in addition to the above, for Flagship conferences based on the recommendations of the ARC:

- for domestic up to **Rs. 15,000/-**
 - for international up to **Rs. 25,000/-**
- ✓ To encourage Faculty members for industry training by sanctioning on-duty leave.
 - ✓ To sanction financial support and encourage Faculty/UG/PG/PhD students from innovative Idea to **Build the Product** (TRL 6/7)
 - ✓ To rename Training and Placements Officer as **Director, Office of Career Services**.
 - ✓ To Conduct two or three Job fairs
 - ✓ To attract Alumni Sponsored Travel Grant
 - ✓ To introduce Industry collaborated PG Programs.
 - ✓ Centenary Year Activities

The Governing Body has welcomed the initiative to start Centenary Activities at this stage. It is suggested to constitute a committee with eminent and significantly contributing members for the activities as follows:

- Honorary Patrons: **Hon'ble Governor, Telangana**
Hon'ble Chief Minister, Telangana
 - Chief Patron: **Hon'ble Vice Chancellor, OU**
 - Patrons: **Registrar**
Chairperson, Governing Body, UCE, OU
 - Convener: **Principal, UCE, OU**
 - Special Officer.
 - International Advisory Committee: **Sri. Gopal T.K. Krishna- Chairperson**
 - National Advisory Committee:
- ✓ Prepare IDP 2029 and Principal was advised to appraise the action plan to the Governing Body in the following lines:
 - Academic
 - Research and Innovation
 - Infrastructure

✓ **Timeline:**

- ✓ Members advised the Principal to prepare short term and long-term proposals to approach alumni, CSR and donors for funding for major capital projects including renovation of hostels and department buildings. The Principal informed that HoDs meeting would be conducted to prepare the proposals.
- ✓ Chairman suggested to conduct an exclusive Governing Body meeting to discuss IDP 2029.
- 36th Academic Council Meeting was conducted on 25th July, 2026.
 - **Revised** Rules and Regulations for UG and PG Programs
 - BE I Sem and II Semester syllabus revised and updated.
 - It has been decided to offer the **B.E. Programme for Working Professionals** as a four-year programme, commencing from the **2026–2027 academic batch**.
- Graduation Day was held on 29th August 2026
- Graduate Exit feedback was conducted on 1st May, 2026
- Admissions 2026:
 - UG Lateral Entry: 61
 - UG Regular: 486
 - PG Regular: 285: Classwork will commence from 12th October 2026 Sponsored admissions will commence shortly.
 - BE WP: Entrance results will be declared shortly
 - ME WP: 3rd October 2026 counselling
- Orientation and Induction program for BE I semester 2026-27 batch students were organized from 19th August to 3rd September, 2026: 45 sessions were conducted.

PrajaPalana Pragathi Pranalika activities from February to June 2026:

- A **Mineral Processing Laboratory** was established at a cost of **₹43 lakh**, with financial support from the **1979 Batch**, providing students with enhanced facilities for practical training and hands-on learning.

- **Remedial Classes** have been conducted for students who require additional academic support, with the objective of strengthening their conceptual understanding, improving academic performance, and ensuring better learning outcomes.
- **Mentor-Mentee Meetings:** Regular mentor–mentee meetings have been conducted to monitor students’ academic progress, address their concerns, provide guidance, and support their overall personal and professional development.
- **Curriculum reforms** have been undertaken to align academic programmes with current industry requirements, emerging technologies, skill development needs, and the evolving expectations of higher education.
- **MoUs/MoAs** have been established with reputed industries, academic institutions, and organizations to strengthen academic collaboration, industry interaction, training, internships, research, and other institutional activities.
- **Internships opportunities:** Students have been provided with internship opportunities in industries and organizations to gain practical exposure, develop industry-relevant skills, and enhance their employability.
- **Train the Trainers:** Faculty members have participated in Train-the-Trainer programmes to enhance their teaching skills, technical expertise, and professional competencies, thereby strengthening the quality of academic delivery.
- Various **Swachh Bharat** activities have been undertaken by students and staff to promote cleanliness, hygiene, environmental awareness, and social responsibility.
- **Sports and Extracurricular Activities:** Students have actively participated in various sports and extracurricular activities, fostering teamwork, leadership, discipline, creativity, and overall personality development.
- **Industrial visits:** Students have been taken on industry visits to provide them with practical exposure and a better understanding of industrial practices and operations.
- **Placement activities:** Placement activities have been conducted to facilitate career opportunities for students and strengthen industry–institution interaction.
- **NCC activities:** Students actively participated in various NCC activities, promoting discipline, leadership, teamwork, social responsibility, and a spirit of service.
- **Soft Skills and Technical Skills:** Various training programmes and activities have been conducted to enhance students’ soft skills, communication abilities, technical competencies, and overall employability.
- **Yoga & Fitness activities:** Various yoga and fitness activities have been conducted to promote physical well-being, mental wellness, discipline, and a healthy lifestyle among students.

- **Hackathons and Innovation Activities:** Students have actively participated in hackathons and innovation activities, providing them with opportunities to develop creative solutions, enhance problem-solving skills, and promote innovation and entrepreneurship.

College activities:

- IEEE OU Student branch received **IEEE India Council Award - Outstanding Emerging Student branch and IEEE SPC SB Award**
- MoUs/MoAs with **NTPC, UD Truck India Pvt. Ltd., Pragya Solutions. BharthCares**
- **34 Girl students will get ₹ 30,000 Plus Six-month mentoring by NASCOM foundation by Optum Global solutions Rs. 40 Lakh tuition fee assistance by United Way of Hyderabad & North South Foundation (NSF), Muthoot Finance and Adi Mahesh Foundation**
- Released **2025 Newsletter**
- **Medical checkup camp** was organized by Virinchi Hospitals on 15th April, 2026
- **Mental Wellness & Yoga program Sahaja Yoga** was organized in the college.
- **Employability Skills Program** and Blood donation camp were conducted.
- **15 Industrial Visits** were conducted in the year for students' exposure.
- **OUCCE Reunion class of 1991-95 held on 21 August 2026**
- **Narender Rashmi Cash award**
- **CISCO Switch** was procured and installed.
- **Internal Smart India Hackthon 2026**

We thank Hon'ble Vice Chancellor, OU for supporting the college in

- Sanctioning the RUSA funds worth Rs. 1,95,21,494/- for modernisation of the Departmental Laboratories.
- Supporting financially for the annual Technical Symposium– 2026 of Rs. 18,00,000/- for the departments.
- Installation of University Wi-Fi and CC Surveillance System to the Hostels worth Rs. 1,63,22,428/-.
- Supporting financially worth Rs. 50,00,000/- for conducting FDPs/Workshops to the Departments.
- Ten Class IV outsourcing employees
- **Research Seed grant for Teachers**
- **International Travel grant for Students.**
- **CMOU Non-NET Fellowship Scheme** introduced in OU, and a total of 32 full-time research scholars of Engineering College have received financial assistance ₹5,000 per month per scholar.
- 2.0 Crore Gender Budget
- One Nation One Subscription

- OU and Reutlingen University Knowledge Foundation, Reutlingen Germany to offer 3+2 Integrated Program (30 Students) and Two-Week Immersion program (20) students. 30 BE VII Semester students will be deputed for 3+2 Program, and 20 Students will be deputed for two-week immersion program.

- Integrated Program is extended to **Thirty** students of BE VII Semester (All Branches) as well as **International Immersion Programme** to **twenty** students of BE III/V/VII Semesters (All Branches) at German Universities of University College of Engineering (A), OU for the academic year 2026-27.

A. International Integrated Bachelor and Master's Programme

1. Students of B.E VII Semester must pursue Two-Year International Integrated Bachelor and Master's Programme (IIBMP) at Reutlingen University, Germany in 2026-27.
2. A student who has successfully completed the IIBMP and fulfils the requirements for the award of the degree shall receive B.E degree from University College of Engineering (A), Osmania University and Master of Science "Professional Software Engineering" (for CSE & AIML) or "Digital Business Management" (for other departments) degree from Reutlingen University.
3. University College of Engineering (A), Osmania University shall award the B.E degree based on successful completion of three years at OU and one year at KFRU. (KFRU will issue an official certificate stating the transfer of the ECTS credits to University College of Engineering (A), Osmania University confirming that the student has successfully completed one year).
4. Osmania University shall pay Tuition fee of 10,000 Euros per year to KFRU for 2 years.
5. All expenses for accommodation, living, Passport, APC charges and flight tickets must be borne by the individual students.
6. Blocked account of 11,000 Euros towards expenses related to accommodation and living expenses have to be shown by the student for which loan facility can be used.
7. Students participating in this IIBMP should be fully covered with their own Medical Insurance and liability insurance during the period of stay in Host University.
8. Students shall be shortlisted based on the merit (CGPA) and rule of reservation of the state Government.

B. International Immersion Programme

1. Immersion Program will be for Twenty (20) students of BE III/V/VII semesters for two weeks.
2. Two weeks certificate programme will be conducted in German Universities.
3. The selection of the student is based on merit (CGPA) and rule of reservation of the State Government.

4. Osmania University shall pay 4000 Euros for the academic programme, logistics, and student support in Germany. This is inclusive of round-trip airfare estimated at 700 Euros. In view of the dynamic nature of airfare pricing, any additional amount towards airfare shall be mutually agreed upon in writing and communicated accordingly.
 5. All expenses for Passport, VISA charges must be borne by the individual students.
 6. Students participating in this programme should be fully covered with their own Medical Insurance and liability insurance during the period.
- CoEs: AIML, CPDDAM, Cybersecurity and Cyber law.

Awards and Achievements:

- **Prof. Kumar Molugaram**, Vice Chancellor, OU was appointed Vice Chairman, State Level Youth Red Cross Society Sub-Committee, Telangana and **Bharat Ratna Sir Mokshagundam Visvesvaraya Award 2025 Institution of Engineers (India), Telangana State Centre & Govt. of Telangana and Fellow of the Academy, Telangana Academy of Sciences.**
- **Sr. Prof. G. Yesuratnam received State Award to Meritorious Teachers – 2026 by Govt. of Telangana, Higher Education.**
- **Prof. P. Chandra Sekhar, Prof. B. Mangu and Prof. P. Naveen Kumar received Engineer of the year award from Institution of Engineers (India), Telangana State Centre & Govt. of Telangana.**
- **Shri Tella Gopal Rao**, alumnus of the Department of Mining Engineering, has donated USD 1,00,000 to Mining department and USD 10,000 to the Department of Electrical Engineering for supporting state-of-the-art infrastructural advancements.
- **Sri Srinivasa Rao Kakamanu (BE ECE)** granted **Cash Awards** of ₹ 15000, ₹ 12000 and ₹ 10000 to 1st, 2nd and 3rd rankers respectively of all Eight Departments. Four Smart Intelligent Interactive Flat Panels (86inch), 60 desks, 3 KVA UPS worth of Rs. 22 Lakhs
- **Dr. Ravi V. Bellamkonda (BE BME 1983)** has been appointed as **18th president of The Ohio State University** on 12th March 2026.
- **Mr. N Sridhar (BE ECE 1994)** has been appointed as **Principal Secretary** to Chief Minister, Telangana.
- **Dr Aneesh Sharma (M.E. ECE SSP 2009)** has been appointed as **Director, Solid State Physics Laboratory (SSPL) DRDO, Delhi**
- **Mr. K. Rahul (B.E. Civil 2023)** has secured AIR-95 at **UPSC-Engineering Services Examination-2025.**
