Press Release

The University College of Engineering (A), Osmania University, Hyderabad has conducted Orientation Program to newly admitted BE - I Semester 2025-26 from 10 am to 1:00 pm on 20.08.2025 at the college premises.

Prof P. Chandra Sekhar, Principal, UCE welcomed the guests, parents and students and briefed them about the achievements of the college. In the process of academic reforms, he stated that Minor degree, Honors degree and Minors in BFSI would be offered. He informed that regular Academic Research Committee, workshops, conferences, Interdisciplinary and Multidisciplinary courses, services of Professors of Practice are organized to bridge the gap between industry and academics. He stated that the college students have excelled in many national and international events. He briefed about the student support facilities available in the college such as Career Guidance Cell, Students Grievance Redressal Committee, Mental Wellbeing and Counselling Cell, Anti-Drugs committee, Anti Ragging Squads. The college has introduced the Skill development Module 1 and Module 2 in III-year to enhance placement readiness and one-year full time Industrial Internship programme in BE VII semester.

Prof. A. Krishnaiah, Director, CDAAC and Dean, Faculty of Engineering, explained about the curriculum. He instructed students to be active in classroom and wished the students very good luck for all their future endeavors

The Guest of honor of the function Sri. Suman Sinha, Senior Director Engineering, Qualcomm India Pvt. Ltd., advised the students to follow 5 key steps to be successful in their Engineering namely Academic Excellence, Hygiene, Personnel growth, Well-being and Mindset.

The Distinguished Guest Sri. A.V. Ranganath, IPS, Commissioner, HYDRABAD, Govt. of Telangana congratulated the parents and students and advised the students

- Freedom obtained in the college should be used in positive way with caution.
- must be away from the bad habits like drugs and alcohol consumption, smoking.
- should trust himself saying “యద్భావం తద్భవతి”.
- Should learn personality shaping and human behavior study.
- Habituate book and newspaper reading, problem solving and questioning attitude.

Chief guest Sr. Prof. Kumar Molugaram, Hon'ble Vice-Chancellor, Osmania University has congratulated the students and their parents for choosing University College of Engineering, OU. He explained the road map of the university. He advised the students

- Must attend class work regularly, punctually and be attentive in classes.
- Should not entirely depend on social media platforms and utilize the expertise of the faculty.
- Skill-based education is very important.
- Read textbooks with passion.
- Update yourself.
- 90% of your success depends on your hard work, 5% on smart work and 5% on networking.
- The students pursuing other branches can take up minors in Computer Science to fulfil their dreams.
- Should excel in academics along with common sense, civic sense, traffic sense, social responsibility, and ethics.

All the stakeholders of university should work hard to fulfill the dream of Hon'ble Chief Minister Sri A. Revanth Reddy "Rising Telangana 2047" which leads to National mission of Vikasit Bharat by 2047.

Prof. B. Mangu, Vice Principal, UCE proposed a vote of thanks on this occasion.

The Director of Evaluation, Exam Cell, Training & Placement Officer, Additional Chief Wardens (Boys & Girls), Heads of the Departments, teaching and non-teaching faculty members attended the Orientation Ceremony.
